

Dear Friends,

We are excited to announce that the Muddy River Chapter of the Fraternal Order of Leatherheads Society (F.O.O.L.S.) will be hosting our 9th Annual Sporting Clay Shoot to benefit Responder Rescue. The shoot takes place on May 19, 2024 at the Blackhawk Valley Hunt Club in Old Monroe, Missouri.

Each day, thousands of firefighters, police officers, and EMS workers strive to keep each and every one of us safe. While we often see these men and women as heroes, they still face injury, illness, and traumatic events; on and off duty. Unfortunately, there is only so much their insurance companies and departments they work for can do to help. Responder Rescue, a 501 (c) (3) organization was established in 2009 by a St. Louis metro area fire captain who saw this unmet need. As a result, Responder Rescue's goal is to help provide the additional financial and emotional assistance to these men and women.

The Muddy River F.O.O.L.S. is comprised of St. Louis area firefighters from Missouri and Illinois who not only have a strong passion for serving their community but also helping our own who are in need. So on behalf of the Muddy River F.O.O.L.S. I would like to extend an invitation to you and your company to participate in our Clay Shoot sponsorship program.

Please feel free to contact us for any additional information. We welcome any comments or questions regarding the details of your sponsorship.

Thank you in advance for your support of Responder Rescue.

Dave Dubowski,
President of the Muddy River F.O.O.L.S.
